

GUIDELINES FOR ARTICLES TO APPEAR IN THE SECOND ISSUE OF THE ENGINEERS JOURNAL 2016

“The Engineer” is a Journal of the Engineers Registration Board and is published annually. Articles published in The Engineers Journal are of engineering nature and associated services solicited from amongst its members. ERB encourages articles from all Engineering Disciplines (Civil, Mechanical, Electrical, etc.). The first issue 001 was published in September 2015 and unveiled during the Engineering forum of September 2015. The Second issue is under preparation and will also be unveiled at the Engineering forum due in September 2015.

Guideline for Engineers Journal 2016

1. Submitted Articles should not exceed a maximum of 5000 words;
2. Articles can be sourced from engineering projects being undertaken at the author’s place of work / organization – Case Studies;
3. Articles can be from completed or on-going Research at Universities , Companies, and other Research Institutions;
4. Articles in form of Technical Notes summarizing content of Engineering Reports submitted for purposes of registration with ERB are also acceptable;
5. Articles shall be original work of the author(s) with clear acknowledgement of work from other sources.
6. All submissions should be in English Language prepared using Microsoft Word Application Version 2010 or earlier and in Times New Roman Font Size 12 with single line spacing. The Margins should be 2.54 cm all round.

Submission: Article should be submitted to ERB by mail to admin@erb.go.ug no later than 10th September 2016.
