

GUIDELINES FOR 'THE ENGINEER' 2021 JOURNAL ARTICLES, FIFTH (5th) VOLUME FIRST (1st) ISSUE

"The Engineer" is a bi - annual Joint Journal publication of the Engineers Registration Board (ERB) of Uganda and the Uganda Institution of Professional Engineers (UIPE). Articles published in "The Engineer" Journal are of engineering nature and associated services. We encourage articles from ALL Engineering Disciplines (Civil, Mechanical, Electrical, Telecommunications, Chemical, Petroleum, and Energy, among others). The 1st Issue 001 will be published in December 2021. Preparations are ongoing to have the 1st Issue published in the last week of December 2021.

The theme for the Journal is "harnessing technology amidst the COVID-19 pandemic".

Abstracts shall be submitted for review not later than 31st October 2021. Comments shall be sent to the authors and then Full Articles shall be submitted not later than 30th November, 2021 for inclusion in "The Engineer" Journal.

Guidelines for "The Engineer 2021"

1. Submitted Articles shall be between 7 - 9 pages.
2. Articles shall be prepared in Times New Roman font style, font 12, single spacing and submitted in both PDF and MS Word;
3. All submissions should be in the English Language, prepared using Microsoft Word Application Version 2010 or latest version; and aligned in the acceptable forms of the ERB shared template with clear high-resolution pictures;
4. Articles can be sourced from engineering projects being undertaken at the author's place of work / organization - Case Studies;
5. Articles can be from completed or on-going Research at Universities, Companies, and other Research Institutions;
6. Articles in the form of Technical Notes summarizing content of Engineering Reports submitted for purposes of registration with the ERB are also acceptable;
7. Articles to be sent through email in the MS Word and PDF format;
8. The Authors must submit passport photos (high resolution in jpg format), contact email addresses and a brief biography of 100-200 words;
9. Images submitted should be 300dpi (dots per inch) and a minimum of 8 X 10 inches. All images included in the articles/papers should be submitted separately in their original JPEG formats.

Submission: Abstracts and Articles should be submitted to the ERB by e-mail to admin@erb.go.ug with copy to info@uipe.co.ug ; and h.mwesigwa@8mconstruction.com (8MCD) not later than 31st October and 30th November 2021 respectively. Any inquiries can also be addressed to both the ERB, UIPE and 8M CD via the same addresses.
