

UGANDA INSTITUTION OF PROFESSIONAL ENGINEERS & THE ENGINEERS REGISTRATION BOARD

“THE ENGINEER”

04TH SEPTEMBER 2021

CALL FOR ARTICLES

The Engineers Registration Board (ERB) of Uganda and the Uganda Institution of Professional Engineers (UIPE), are in the process of jointly publishing “The Engineer” 2021 issue. The journal will provide engineering information to our readers and will contribute to the development and improvement of the engineering profession.

The Joint Editorial Committee of “The Engineer” therefore invites registered and unregistered Engineers to submit articles pertinent to the Engineering field. All papers will be carefully reviewed and evaluated on the strength of the content matter submitted including relevance of the topic to the targeted Engineering Audience and other stakeholders. Scientific research and practical papers covering the ALL disciplines of engineering (Civil, Electrical, Agricultural, Mechanical, Telecommunications, Petroleum, and Chemical Engineering, among others) are encouraged.

The theme for the Journal is “harnessing technology amidst the COVID-19 pandemic”.

The deadline for submission of the Abstracts shall be on 31st, October, 2021 while the full Articles shall be submitted not later than 30th November, 2021. Detailed Author Guidelines are herewith attached.

Editable electronic word and pdf articles should be submitted by email to admin@erb.go.ug with a copy to info@uipe.co.ug ; and h.mwesigwa@8mconstruction.com (8MCD)

Any requests for clarification or enquiries should be directed to the same addresses for the Attention of Ms. Jacquelyn Kia, Ms. Moureen Nakiryowa and Eng. Hans JWB Mwesigwa.

We are looking forward to your continued support.

Eng. George William Bwanga
CHAIRMAN, JOINT EDITORIAL COMMITTEE
