PRESS RELEASE

ENGINEERS CENSUS 2023

The Engineers Registration Board informs the entire engineering fraternity and the general public that they are carrying out a nationwide Census of all Engineers and their different areas of specialization. ERB has contracted the services of Global Research Administration and Management Services (GRAMS) to conduct this Census. Please provide the enumerators with all the necessary assistance when approached.

For all engineers, kindly follow the link below to a self-administered tool to participate in the Census. <https://forms.gle/KUypw7sLuwcCWbqh7>
