## PUBLIC NOTICE

21<sup>st</sup> August, 2023

### REGISTRATION OF FOREIGN ENGINEERS ENGAGED IN ENGINEERING FUNCTIONS IN UGANDA

In accordance with Section 21 of the Engineers Registration Act, Cap 271, the Engineers Registration Board (ERB) informs all stakeholders and the general public of the legal requirement for all Foreign Engineers, who prior to practicing engineering in Uganda, are mandated to fulfill all requirements and register with the Board within four months of their arrival in Uganda.

Section 21 (6) further reiterates that “any firm or organization, private or public, which recruits a foreign engineer in Uganda shall ensure that such an engineer has registered within four months of his or her arrival in Uganda.”

By copy of this notification, you are required to comply with this statutory requirement and ensure that all Foreign Engineers engaged

in engineering functions in your firms /organisations register with the Engineers Registration Board.

Please note that the Board has provided a 6-month grace period for all affected engineers and firms to comply with the law and register by **30<sup>th</sup> March 2024**, after which a fine will be imposed on all foreign engineers and all firms employing them in engineering functions in Uganda without registration.

For the registration procedures and guidelines for Foreign Engineers (Temporary Registration), you are advised to visit our website at **[www.erb.go.ug](http://www.erb.go.ug)** or the ERB offices located at **Plot 2, Gloucester Avenue, Kyambogo** for further guidance.
